

Allegiance Bank Online Banking Application

Step 1 To get started Download the Allegiance Bank Mobile App from your mobile device's **app store**. The app is available for Apple and Android devices.

Step 2 Once you've downloaded the app, log on using your Online Banking User ID and Password. If you don't have User ID, you can enroll for Online Banking at www.allegiancebank.com.

The image shows the login screen of the Allegiance Bank app. It features the Allegiance Bank logo at the top. Below the logo are two input fields: 'User ID' and 'Password'. There is a 'Remember me' checkbox and a 'Forgot your password?' link. A red 'Log In' button is at the bottom. At the very bottom, there are links for 'Locations' and 'Privacy Policy'.

Step 3 The first time you access Allegiance Bank app, you will be prompted to select the target to receive your secure access code. Enter your code on the access code screen.

The image shows the target selection screen of the Allegiance Bank app. It features the Allegiance Bank logo at the top. Below the logo is the text 'Please select a target:'. There are two buttons: a red button labeled 'I have a Secure Access Code' and a grey button labeled 'Phone to : (xxx) xxx - 5084'.The image shows the secure access code screen of the Allegiance Bank app. It features the Allegiance Bank logo at the top. Below the logo is the text 'Enter your Secure Access Code'. There is a white input field labeled 'Secure Access Code'. At the bottom, there are two buttons: a grey 'Back' button and a red 'Submit' button.

Step 4 Once the code is accepted, you can register your device. Now you can access your account on your mobile device.

The image shows the device registration screen of the Allegiance Bank app. It features the Allegiance Bank logo at the top.
